University of Western Ontario

Erin is confident that her education as a law and business major will contribute to her success in assisting clients.

Her experience in project management, which includes problem solving and risk management, will serve her well in practising law.

Why did you choose to work with Davies?

Early in my career, I benefited from opportunities that required me to wear multiple hats, learn on the job and work with collaborative teams. I recognized immediately how Davies' defining values would help me to build a successful legal career.

If you could have your own talk show, who would you invite as your first guest?

Carol Burnett because she's lived through many eras, met many people and had an incredible career. Plus, she would make me laugh.

Is there something about you that we would be surprised to learn?

I'm learning how to forage and like spending time in nature.
