Geoffrey Rawle, Zain Rizvi Referenced in Financial Post Article About Bitcoin

Davies lawyers Geoffrey Rawle and [Zain Rizvi](#)'s recent [client communication](#) on the Canadian Securities Administrators' (CSA) approach to cryptocurrency offerings is referenced in a recent Financial Post article.

The Post's article discusses the strength of the CSA's directive and quotes Geoff and Zain, who say, "The CSA notice itself serves as a warning to the ecosystem of blockchain technology business – buyers, sellers, creators, exchanges and traders – that the days of unqualified, non-exempt ICOs for all cryptocurrency technologies are over."
