REPRESENTATIVE WORK

Legion Partners Asset Management

Legion's campaign included the commencement by Legion of an oppression Application in the Superior Court of Ontario concerning the legality of Primo's Advance Notice By-Laws. It culminated in an agreement to appoint two Legion nominees to the Primo board and Primo agreeing to adopt certain corporate governance enhancements, including changes to its advance notice bylaw provisions.

Shaw Communications Inc.

Successfully acted for Shaw Communications in landmark trial and appellate proceedings in which the Government of Canada challenged the company's C\$26-billion merger with Rogers Communications, the largest contested merger case ever heard in this country. This case was named the #1 business decision of 2023 by *Law360 Canada* and one of *Expert's* Top 10 Business Decisions of 2023.

Continental Casualty Company

Successfully defended Continental Casualty Company (CNA) in the Ontario Superior Court of Justice in a class action in which billions of dollars of claims were asserted by or on behalf of thousands of businesses throughout Canada for business interruption coverage arising from the COVID-19 pandemic. This matter was decided by a Justice of the Commercial List in early June 2023 in favour of CNA and other insurers following a multi-week common issues trial. This is the first case to determine authoritatively at trial in Canada that the SARS-CoV-2 virus does not cause "physical loss or damage to property", and that mere loss of use of property resulting from the COVID-19 pandemic does not trigger coverage under ordinary commercial property insurance policies.
