“Anthony is the reason why I keep going back to Davies. He is hardworking, practical and available. I can't recommend him enough. He is amazing.”

Client – *Chambers Canada*

Anthony's practice focuses on mergers and acquisitions and financing transactions with an emphasis on energy and infrastructure. He has acted as lead counsel to both acquirers and financiers on several high-profile renewable energy acquisitions and financings. He has also been involved in a variety of infrastructure transactions, having acted for project sponsors on complex public-private partnership projects in Canada and in the United States.

His clients, including Canada's largest institutional lenders and infrastructure funds, value Anthony's practical and business-minded advice and strong dedication to client service. Clients describe him as, “a great lawyer” and “excellent negotiator” with “good commercial sense and ability to structure transactions” (*Chambers Canada*).

Anthony is a member of the firm's Finance and Student Committees.

## REPRESENTATIVE WORK

### Axiom Infrastructure Inc.

Acted for Axiom Infrastructure with its acquisition, together with Nova Scotia Pension Services Corporation, of a 50% equity interest in the 100 MW Cedar Point II Wind Project located in Ontario from Fiera Infrastructure. The power produced by the project is sold to the Independent Electricity System Operator (IESO) under a 20-year power purchase agreement under Ontario FIT Program.

### Royal Bank of Canada

Acted for Royal Bank of Canada in connection with the establishment of senior secured “green loan” credit facilities in favour of a subsidiary of the University of Toronto, the proceeds of which will be used to complete deep energy retrofit projects – such as converting gas boilers to electric boilers and installing energy storage solutions – to reduce greenhouse gas emissions by more than 50 per cent, or 45,000 tonnes of CO<sub>2</sub> equivalents, by 2030. Canada Infrastructure Bank provided subordinated credit facilities.

### Fengate Capital Management

Acted for Fengate Capital Management in its acquisition of the Morris Cogeneration, LLC, a 177 MW combined heat and power facility in Morris, Illinois, from Atlantic Power and Utilities.

### Axiom Infrastructure

Acted for Axiom Infrastructure in connection with a mezzanine financing of a portfolio of solar projects located in Ontario.

### The Canada Life Assurance Company

Acted for The Canada Life Assurance Company and its affiliates with the C\$185.5-million financing of a portfolio of three hydroelectric generating facilities
