Tell us about a significant award or accomplishment.

I was awarded the Ontario University Athletics Player of the Year (MVP) for Men's Rugby in 2019. Also, I played rugby professionally with the Toronto Arrows RFC prior to law school.

What inspires and motivates you?

I have always admired the people in my life who have become experts in their fields and are able to use their skills to help others.

What skill would you like to learn and why?

I'd like to learn woodworking or carpentry. People who work with their hands make it look so simple to create something complex – and it amazes me.
