Davies Recognized as Top-Tier Firm in *World Tax 2020*

International Tax Review (ITR) has once again affirmed Davies' reputation as a leading global tax adviser, ranking our firm as Tier 1 in its 2020 *World Tax* guide.

In its profile of Davies, ITR notes that the firm "maintains a dominant position in Canada" in the areas of transactional tax, tax controversy and general corporate tax. Notable recent transactions include advising Barrick Gold Corporation in its US\$18.3-billion share-for-share merger with Randgold Resources Limited; Apotex International Inc. in the sale of its European generics business to Aurobindo Pharma Limited; and Michelin Group in its US\$1.7-billion acquisition of Camso Inc.

World Tax is ITR's annual guide to the most effective tax practitioners in more than 50 jurisdictions globally, as determined by client and peer feedback and evidence of outstanding work in the past year.
