Anthony Arquin Talks to *La Presse* About the Rental Market for Office Buildings in the Montréal Area

In a recent [article](#) published in French, [Anthony Arquin](#), a partner at Davies Montréal, talks to *La Presse* about the rental market for office buildings in the Montréal area, as well as the effects of working from home and satellite offices. He also draws attention to the increasing tendency to redevelop existing shopping centres into residential, commercial or mixed-use real estate projects.
